4. [REDACTED] Ted Shackley, Chief, WH Division, and I met with Senator Henry M. Jackson and discussed the handling of the ITT matter with the Senate. See Mr. Shackley's Memo for Record.

Jackson said he was concerned about the upcoming elections in the Trust Territories and wondered what we could do about them. I said we would be glad to look into it. He said he might get in touch with us on this.

Jackson said he had recently talked to General Heaton of Walter Reed who was very encouraging regarding the progress of Senator Stennis' recovery.

I brought Jackson and Dorothy Fosdick, of his staff, up-to-date on latest developments regarding the new large Soviet ICBM.

5. [REDACTED] John Ritch, Senate Foreign Relations Committee staff, called to say the Committee plans hearings in early April on the world energy situation and would like to have some Agency input, especially regarding the question of "where is the oil on this planet?" and what is the evidence on which all of the various estimates regarding the oil situation are based. He said he would like to discuss the matter with me sometime next week. I said I would be glad to call him Monday and set a date.

7. [REDACTED] Talked with Forest Reece, Senate Agriculture and Forestry Committee staff, about a possible time for us to brief Senator Bellmon (R., Okla.) along with Reece and Carl Kettler, of the Senator's staff. We decided to shoot for next Wednesday afternoon. Reece said he would check with Bellmon on Monday and be back in touch with us.
